MEMORANDUM FOR: Executive Director

FROM : Clair E. George  
Deputy Director for OperationsSUBJECT : Exemption from the Executive Development  
Core Course

1. It is requested that [redacted] Chief of the Central American Task Force and a newly-promoted SIS-1 Officer, be exempted from the 10-21 September 1984 running of the Executive Development Core Course. Given the sensitive and high profile position [redacted] holds, I consider it essential that he be available to brief and support the new Chief, Latin America Division, when the latter assumes his new responsibilities on 10 September. 25X1

2. [redacted] will attend the January 1985 running of the Executive Development Core Course. 25X1

MEMORANDUM FOR: Executive Director

FROM : Clair E. George  
Deputy Director for Operations

SUBJECT : Exemptions from the Executive Development  
Core Course

1. It is requested that those newly promoted SIS-1 officers from the Directorate of Operations who are stationed overseas be exempted from the 10-21 September 1984 running of the Executive Development Core Course. I believe you will agree that the cost and operational upset caused to their Stations is such that the Agency would benefit more from their taking this course upon their return from their current assignments.

2. The DO officers most recently promoted to SIS-1 who are currently stationed overseas are as follows:

- a.
- b.
- c.
- d.
- e.
- f.
- g.

3. Current projections are that if the above officers are exempted from this running of the Executive Development there will be nine DO officers attending.

SUBJECT: Executive Development Core Course for  
New SIS Officers

REFERENCE: DO/STO Memorandum-Same Topic

1. Africa Division currently has two new SIS officers assigned in our area of responsibility. They are both serving overseas and we request their exemption from the 10 to 21 September running of the Executive Development Core Course. The individuals are:

2. Africa is reluctant to TDY either individual back to Headquarters for the September running of this course because of ongoing operations and we, therefore, request your approval for their exemption. When they are next reassigned to Headquarters and provided they are under my jurisdiction, they will be enrolled in the first available running.
